

EMERGENCY CLOSINGS

The Board hereby delegates to the superintendent of schools the authority to close any school whenever any condition exists which, in the opinion of the superintendent of schools is not available to make such a decision, the Board delegates such authority to the assistant superintendent of schools and if he is not available, the principal of each school is given the authority to close his school until such time as the closing can be reviewed by the superintendent or the Board of Education. In any case of extreme emergency, the principal of each school may close such school and shall immediately report such closing to the superintendent of schools and the president of the board.
