

## Activity #12—Ready—Set—Visit a College!

Visiting a college you are interested in is very important as you decide which college to attend.

Go to :

After reading the article, list 5 things you want to do to be ready for your visit or watch for on your college visit.

After your visit:

What is the contact information for the college? How would you get in touch with them to answer more questions?

Write a paragraph covering 3 important topics you learned about that will help you make your decision about this college. Will this college be the one????
