Activity # 14 Interview a Parent or Guardian

Ask your parent or guardian 15 questions. Start with the ones below and then finish off with your own questions. Record their responses to all 15 questions. Hopefully you both can learn from this interview process.

1. What was the career you wanted to pursue after you graduated from high school?
2. Why did you select this career?
3. Did you go into this career? Yes No If the answer is no, ask questions 4-5. If the answer is yes, skip to question 6.
4. What happened to change your first career choice?
5. How many different jobs have you had?
6. What career changes would you make or change if you had the choice.
7. What advice would you give to young people getting ready to go into the work place?
8. Do you have to continue your education in your current career? (Explain if the answer is yes.)
