

CRISIS PLANNING
(See EBBD)

The superintendent, in cooperation with each building principal shall develop a plan to deal with crises in an attendance center. Each plan shall be reviewed and approved by the Board at the August Board of Education meeting.

A copy of the plan shall be on file in each building and with the clerk.

Building principals shall train staff to implement the building plan. As necessary, students and parents will be informed about details of the plan.

Crisis plans shall be subject to regular review by the administration. If a plan is implemented, the board shall receive a report on how well the plan worked. If necessary, the report shall include recommended changes.
