

## EARLY GRADUATION

Requests for early graduation will be handled on an individual basis through written application to the high school principal. Parental consent is required unless student is 18 years of age. If approved by the high school principal, a formal request will be made to the superintendent and the Board of Education. Students will be eligible after the seventh semester at Pratt High School. In extenuating circumstances, graduation 1 year early will be considered. If granted, students will not be eligible to participate in any school activities, except graduation ceremonies.
