

LIBERTY MIDDLE SCHOOL

FROG FOCUS

April 26, 2024

Happy Friday to everyone! I got to start the morning with table-scape party projects in Ms. Hamm's 7th grade advanced reading class. Students did literacy circles and concluded their projects this morning. Many grade levels enjoyed their class field trips this week and the office is buzzing with preparations for the Italian Dinner this evening. We can't wait to enjoy a nice dinner and dance with our students. We will take our spring Aimsweb benchmark test next week in our English/Language Arts classes. It's always exciting to see the growth from beginning of the year to the end.

Hill's Headlines
