

LIBERTY MIDDLE SCHOOL

FROG FOCUS

December 1, 2023

December is here and what a surprise it was to receive the first snowfall of the season. We had a few days of indoor recess due to the snow on the turf, but snow balls were sure flying after school. Gotta love our middle school students. Winter benchmark testing will take place Dec 5-6 for ELA and Dec 12-13 for math. AB door decorating contests are beginning and we are collecting pennies to purchase Angel Tree items for individuals in our community.

Hill's Headlines
