FROG FOCUS

December 8, 2023

We had a full week of music programs and the students and teachers did a wonderful job. We will cap off the week tonight at 7:30 p.m. with our 7th and 8th grade vocal and band concert here at LMS. Ms. Nech's AB (picture to the right) completed their pop-tab drive for the Ronald McDonald House. A big thank you to Amy Renner for delivering the tabs for us and to everyone else who donated. "Nech's Riches" were able to collect 26.8 pounds of pop tabs. That is a lot of pop tabs-great job working hard serving others. Basketball teams are in the play-offs and both teams will host the 1st round at home on Thursday. The pictures below are of Ms. Clark's music exploration class-students have learned new instruments and they invited me in this week for my own private concert. They were awesome!!
