

# LIBERTY MIDDLE SCHOOL

# FROG FOCUS

January 26, 2024

Happy Kansas Day to everyone and also happy 100th day of school. 100 days of building relationships, learning, and personal growth. Today our LMS family will be making 100 positive calls home. This week we started the 7th grade state social studies assessment and yesterday we held our LMS spelling bee finals (see picture to the right). Congratulations to our champion Cade Novotny and to our runner up Chloe Toalston. Mrs. McAllister started a pickle ball unit this week. She was able to purchase the necessary equipment with money from the Credit Union of America teacher grant.
