

LIBERTY MIDDLE SCHOOL

FROG FOCUS

October 20, 2023

I got a new mobile desk this week so I can cruise the hallways and work outside of my office. It was fun to see student and staff faces as I worked throughout the morning in the hallways. I was able to connect with many more students as they moved about. Fall Frolic went off without a hitch and Mrs. Malone's Millionaires won bragging rights for another year.

Our 8th graders have begun Veterans Day projects. More to come on this project. This week was Bus Driver Appreciation week. We celebrated them with a poster of thanks. Basketball has begun and our students are still working very hard on the stage for the upcoming play. As many of you are aware, conferences looked a little different this year. I am happy to report we had 82% turnout for our Fall conferences.

SHOUT-OUTS

1. Thank you to everyone who donated items for Fall Frolic. It takes a village.
2. A huge thank you to the high school NHS volunteers, teachers, Ms. Heather, Mrs. Hopkins, and Lindsay Hildebrand. We love having you here to enjoy the day with us.
3. Thank you bus drivers for your cautious care of our students. We are thankful for you!
4. Thank you cheer and Mrs. Dixon for our first pep rally! It was so loud and enjoyed by all.
