

LIBERTY MIDDLE SCHOOL

FROG FOCUS

October 4, 2023

We had a great week here at LMS. We welcomed our 5th and 6th grade families to the building for our first music programs of the year and we are proud of Ms. Clark and thankful for Mrs. Jane Biles for accompany for us. We also wrapped up our first quarter of Tier 2 groups with Character Strong lessons. It's truly great listening to students excited to attend group and "talk about my feelings". As I make my way through classrooms during the week, I always enjoy what I hear the students say. For example, "Mr Brown, you make life learning math so much easier".

National Walk to School Day was a huge success and joining forces with the elementary and high school to do this event together is truly a day maker. Monday was School Custodian Appreciation Day and we have the very best group of ladies keeping our school looking amazing. We value their commitment to our school and students. Thank you Ms. Tiffany, Ms. Esmerelda, and Ms. Velia. Builders Club made them a poster. See below

Hill's Headlines
