

LIBERTY MIDDLE SCHOOL

FRIDAY FOCUS

September 1, 2023

We started the week with a little plank challenge on Monday morning with our 5th graders. They have so much energy each day and have adjusted well to LMS as a collective group. Tuesday welcomed our first competition for our 7th and 8th grade volleyball ladies. Both LMS and PHS gyms were utilized and we welcomed many guests to our buildings. Thursday both teams had their first road game at Halstead. Our fall Aims-web testing is complete and we continue to focus on academic growth for all students. We continue to provide breakfast for students each day so they have a healthy start to the day. Our Character Strong lesson of the week focused on creating community. Families-we are a team-please ask your child about Character Strong.

Hill's Headlines

Shout-outs

1. Teachers-the year has started so great and you deserve a great big THANK YOU!
2. Thank you Rotary for your generous donation to the kids fund here at LMS.
3. Preschool team-Wow! You've worked so hard to be ready for Tuesday-we see you! Have a wonderful year.
4. Substitutes-THANK YOU! We couldn't do it without you.
5. High school football boys-our students look up to you! Thank you for joining us on Fridays.
