

AWARDS AND SCHOLARSHIPS

Student awards for having represented a school in the district shall be limited to those approved by the administration and the board. Awards for interscholastic activities shall be limited to those approved by the Kansas State High School Activities Association.

Students shall be advised by the appropriate sponsor that accepting cash or merchandise for participation in an activity may jeopardize the student's amateur standing and eligibility in that identical activity before the KSHSAA.

Each faculty sponsor bears the responsibility for monitoring his student activity sponsorship, and each student must be aware of those activities which would put him in violation of this policy and KSHSAA regulations.
