

CHEERLEADER UNIFORMS SELECTION AND EXPENSE

The Board of Education, in an effort to help defray the expense of cheerleaders in Pratt USD 382 and establish a format to assure input by parents and school officials in the selection of uniforms and related apparel, hereby establish the following procedures:

- A. Selection and Ordering of Uniforms
 - 1. The parents of each of the respective cheerleader squads and the cheerleader sponsor will act as advisors in the selection of cheerleader uniforms, pompoms and other appropriate cheerleading apparel. A meeting of each of the respective groups shall be held in the spring of each year as soon as possible following cheerleading elections.
 - 2. Cheerleading uniforms and other apparel ordered through the school shall not be sent without the signature of the principal, parents and sponsor on each order. Items purchased locally and/or from other sources such as shoes, materials for skirts, etc. shall receive approval of parents prior to purchase.
- B. Payment for Uniforms and Associated Apparel
 - 1. All expenses incurred shall be the responsibility of each individual cheerleader with exception of the following amount per cheerleader:
 - Senior High - \$60.00
 - 2. Each cheerleader shall deposit into the Senior High and/or Liberty Intermediate Activity Funds a minimum of one-fourth of the total cost of the uniforms and other items ordered through the school. The unpaid amount will be due as soon as possible after receipt of the uniform unless other arrangements have been made by the building administrator.
- C. Other Expense
 - 1. When it is deemed necessary by the cheerleader sponsor and the building principal that cheerleaders and/or sponsors remain overnight at a tournament or other contests, the cost of lodging shall be paid by the school.
