

Bricks for Building Better Schools

A Pratt Public School Foundation Project

For the parents, students, faculty, alumni, or friends that would like to become a permanent part of Pratt High School history, the Pratt Public School Foundation is offering a unique opportunity. Any Greenback supporter is invited to buy a brick, either for you or for someone else, to commemorate that person or to remember a special loved one. What a great way to be remembered or to acknowledge special occasions such as graduations, significant USD 382 past achievements, or even to thank a teacher!!

Once your brick order is personalized, it will be placed in front of Pratt High school on the walkway where everyone can see them and remember special people and events that have given USD 382 a tradition of excellence. All proceeds go towards the funding of grants for teachers to use in their classrooms to enhance the education of our students.

YES!! I want to be a part of Greenback history with a commemorative brick!!
