

LIBERTY MIDDLE SCHOOL

FROG FOCUS

April 5, 2024

Our Robotics team is off to Oklahoma City this morning for their competition this weekend. Best of the luck to the students pictured below. I would also like to congratulate our state science fair participants pictured to the right. They did an outstanding job representing our schools and our community and Ms. Lu Bitter also deserves a big thank you for all her work with these students. Last night we hosted our LMS track meet and what an amazing group of student-athletes, coaches, and volunteers. It was a great day for a track meet. This week we finished up math state assessments and next week students will conquer our ELA assessments. I was very proud of our students effort during the test. Spring is so busy, stay tuned for more.

Hill's Headlines

Supervision Schedule

- Football field/Ramp- Clark
- Bus Duty- McGraw

Monday
