## FRIDAY FOCUS

February 3, 2023

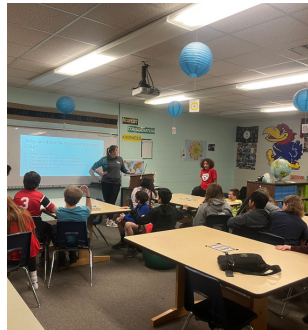

The Friday Focus has been on my to do list all school year and well, it's February and I think I've finally found my groove and can make it happen. My goal is to send out a Friday Focus each Friday morning and update everyone on the happenings at LMS. Don't be too critical of this first one, hopefully they improve each week.

January lasted FOREVER, but I know warmer weather and spring will be here before we know it.

As I make my way around the building, I am always taken back by the positive energy and relationships we have built throughout. Although they may not tell us, I know they feel safe and loved when they enter the doors each day. That is a testament to your hard work and if I haven't told you lately, I love this team and I'm grateful for each of you as you dedicate your days to our students. THANK YOU for making the first seven months so impactful. As the year continues, I hope you finish the race strong and know you are changing the lives of some truly awesome students.

### Greenback Shoutouts

With all our recent assemblies, I want to shout-out our music department. Arica Malone, Brandon Wade, and Scott Logan deserve a giant thank you for helping make our events in the auditorium run smoothly. Molly Swank, I also couldn't do it without you! I also want to extend a special thank you to Mrs. Thelma Liggett for filling in and being wonderful for our students in Mrs. Hodgkinson's absence. And lastly, I'd like to welcome Shaun Haste, a para-professional, to the Greenback family.

### Quote Corner

"It's Friday morning mankind! Good vibe, don't frown and let the monster see you smile!" ~Napz Cherub Pellazo
