

FRIDAY

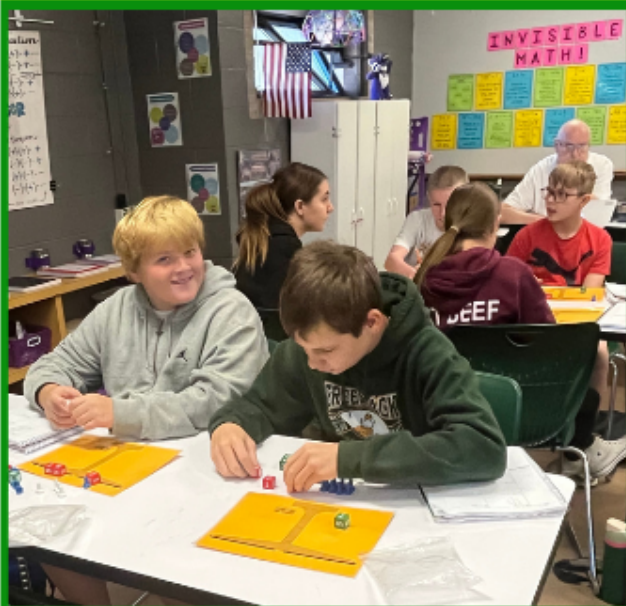

FROG FOCUS

National Kindness Week was a success, thanks to inspiring morning quotes from our Builder's Club. We followed with an unforgettable Veteran's Day celebration, honoring our heroes with a special luncheon on Monday. The 8th graders Veteran's Day projects are now on display at the Public Library. In the classroom, Hodge's students are sharpening their math skills by solving equations (see photo). Our annual pop-tab collection drive has kicked off in Ms. Householter's AB class. If you have any pop-tabs to donate, please drop them off! 8th graders will soon embark on career job shadowing opportunities with Mr. Schmidt. As we enter this season of gratitude, we express our sincere thanks to the incredible LMS staff, faculty, and students. It's always a great day to be Greenbacks!

LIBERTY MIDDLE SCHOOL

15 NOV. 2024
