

FRIDAY

# FROG FOCUS

The excitement is here as the LMS play takes center stage today at 2:00 PM. Over 60 talented students are ready to shine, and we can't wait to witness their performances. Basketball season has officially tipped off here at the LMS, and the courts are buzzing with action. Back in the classroom, Mrs. Stegman's students celebrated their reading achievements with a well-deserved sweet treat after lunch. In Character Strong lessons, students are discussing the important topic of emotional regulation, and Mr. Kendrix Crow came over to be principal for the morning for mentoring day-we giggled a lot. And lastly, our October overall attendance holds strong at 97.5%. We are proud to be Greenbacks.
