

FRIDAY

FROG FOCUS

It was wonderful to welcome our students and staff back from Thanksgiving break. It's hard to believe that December is already here, marking the halfway point of the school year. Next week, our students will be taking benchmark tests, and we eagerly anticipate seeing their academic progress since the start of the year. Last night, our 6th grade vocal and band students shined brightly during their performances, filled with pride and excitement. In STEM class, students are immersed in building projects and many conducted a fire science experiment. We're looking forward to basketball games, the always-popular LMS talent show on December 20th, and all the holiday cheer to come.
