

FRIDAY

# FROG FOCUS

Basketball season is off to a great start, and our students have been diving into academics as well. KITE interim assessments have provided valuable insights for both teachers and students, highlighting areas of mastery and growth. These assessments will help guide our teachers in their instruction to meet individual needs. Character Strong curriculum continues to foster positive character development through weekly Character Dares. Encourage your children to share this week's dare and discuss how they're applying these character-building principles in their daily lives.
