

FRIDAY

FROG FOCUS

Fall Frolic was a huge success, and we're excited to continue the fun with upcoming events. Fall parent-teacher conferences provided a great opportunity for families to connect with teachers and discuss their child's progress. We've shared the most recent student data with attendees and will be sending it home to those who couldn't make it. As fall sports seasons come to a close, we're gearing up for the start of basketball next week. Today, we're looking forward to a joint pep rally with Pratt High School – a big thank you to PHS for the invitation! To date, our students here at LMS have mastered 5,087 skills and practiced a total of 19,334 in IXL. Remember, these skills tie directly to our Kansas State assessments. Great stuff happening at LMS.
