

FRIDAY

FROG FOCUS

This week at Liberty Middle School has been a whirlwind of excitement and community engagement. We were honored to have Senator Moran come to the Pratt Public Library for the dedication of books from the Library of Congress. Several of our students were thrilled to be a part of this special event. In a new tradition, we partnered with our friends at the PAC to host a parade and fun-filled trick-or-treating event around our football field. The excitement is building as over 60 students prepare to take the stage in our middle school play next week. And to top it all off, our basketball season is kicking off with our first games on Monday. It's a busy and exciting time at Liberty Middle School!
