

# LIBERTY MIDDLE SCHOOL

# FROG FOCUS

May 3, 2024

Last week ended with the Italian Dinner and I heard one student say "It was the best night of her life". We had such a wonderful evening with our students and some of them grew some mustaches for the event! To those of you that helped with the event or donated food, thank you doesn't seem like enough and we couldn't have done it without you. Staff members held a paper, rock, scissors competition this week and Mr. Ricke was the winner-fun was had by all! Spring ELA Aimsweb testing is complete and next week we will tackle the math test. Our track students will compete at the league track meet on Monday (make-up-date will be Tuesday) and we have a couple remaining field trips. Next week we get to celebrate our teachers for Teacher Appreciation week. We are blessed with the best here at LMS. The year is winding down and it brings many different emotions, but we will hold strong to the memories we've created with all our students.

## Hill's Headlines
